Dear Mr. Lotto:

Herewith is a copy of General Cabell's address before the American Legion in Minneapolis which you requested in your letter of 21 August 1959 addressed to General Cabell. In compliance with your request, I am placing your name on the mailing list to receive any speeches that are made by CIA officials.

The unclassified monitored broadcasts to which you refer have, as I believe you have recently been informed, a restricted circulation, and are not mailed outside of the District of Columbia. If you have a Washington office, we could mail the [redacted] to that office, but not to an office in New York City.

Thank you for your inquiry.

Very truly yours,
